Semester 2

Monday, 25th of February, 2019

The mission of SCIS is to develop inquiring, knowledgeable and caring learners who contribute positively to their communities.

- "Middle schoolers, are you interested in helping people and making an impact on others? Do you want to help a range of communities, like the LGBTQ+, refugees, underprivileged girls, animals in climate change, and more? Come join Kids for Cause, where we do all kinds of activities to learn about the world around us and help others in need through pursuing your passions. Whether you like to write music, draw, read, debate, play sports, dance, or more, you can learn to take it one step further by using it to make a positive impact on our planet. The club will take place after school on Tuesdays, starting on March 5th in B201 (we will let you know if dates change)! You can sign up to be a member of the club through this survey or on one of the signup sheets around the halls. Let's make a change!

Sevillana, Sydney, Chloe (Grade 10)"

- DI/DII boys soccer players may leave class at 2:55 to catch their 3:05 bus departure.
