- A reminder for all of our student athletes and club members – if you are on campus afterschool, you must be with your supervising teacher/coach or in the library until it closes or the café. You should not be wandering the halls, using the gyms or the field. If teachers ask you to return to the designated areas, we’d appreciate your understanding in following their request.

Student safety requires that you have supervision.

If you have no club or athletic event to attend, you should not be on campus. We love having you here every day, but when the day is done, we need you to go home!

- All students in grades 6-9 will be taking MAP Testing on the mornings of Monday, September 25 and Tuesday, September 26. Please be sure to eat a good breakfast, bring your laptop to school (charged) and bring and book or work to do if you finish quickly.
- Rugby players are dismissed at 2:25 today so that they can depart for their game at 2:30.
