## Principal's Message Andrew Powell

### City Weekend Art Competition

The theme of this year's City Weekend Art Competition is Animal Magic. Children are invited to create their own fantastical creature using an artistic style of their choice (drawing, painting, collage, sculpture, etc.). A 100 word description should accompany any entry. Late October is the deadline for submissions and more detailed information about the competition will be shared during Art classes.

### After School Activities and Student Transport Arrangements

Should your child wish to change a bus due to a play date, please inform our Transportation Department and your child's teacher via email ([transportationhq@scischina.org](mailto:transportationhq@scischina.org)). To facilitate a smooth and safe dismissal process, can I please also ask you to make a point of ensuring sure that your child knows how he or she is getting home of an afternoon. This may mean reminding your child of transport arrangements each morning before going to school.

### School Uniforms and Dress Code

We believe that our dress code promotes a sense of orderliness and school community, helps with campus and field trip security, and reduces "fashion competition". As indicated in Ms. Brewer's recent note to parents we are expecting that all of our students will be wearing their school uniforms on a day-to-day basis. This should not be an issue for most Lower School students. Teachers have been asked to contact parents if students are not in uniform.

### Students Leaving Campus with Parents

In order to account for children that have left campus with their parents of an afternoon we ask that all parents leaving campus before 3:30pm sign out with the Lower School secretaries. The secretaries will give you a yellow card that you will need to give the guard at the gate.

### Seeking Substitute Teachers

We are looking to expand our substitute teacher database and are currently seeking substitute teachers for the Lower School. Teaching qualifications from your home country are preferred although we will give consideration to interested candidates with professional experiences working with children. If interested, please contact Lynn Pendleton by email with your resume attached. Her email is [lpendleton@scischina.org](mailto:lpendleton@scischina.org)
