It has been a wonderful week with Field Days organized by Mr. Barrs and Mr. Newman. They did a great job of presenting fun, active games that occasionally allowed students to get wet. We had some moms and dads joining teachers for fun on the field in games focused on participation and team work. And yes, in the Lower School, we all won. Grade 5 will have field day next Tuesday morning.

MAP Growth Spring Testing

Lower school students in Grades 2-5 have completed MAP testing. Parents can expect paper MAP reports the final week of school, and reports will be
