The PYP Exhibition

During the PYP Exhibition, Grade 5 Students will demonstrate their understanding of an issue or opportunity they have chosen to explore. Through this, they will also demonstrate their ability to take responsibility for their learning, and their capacity to take action, as they have been actively engaged in planning, presenting and assessing their learning. The Exhibition also provides an opportunity for students to exhibit the learner profile attributes that they have been developing throughout their engagement with the PYP.

SCIS Grade 5 Students invite you to visit their PYP Exhibition.

When: Wednesday, June 5, 2019 from 10:00-11:00 am

Where: SCIS Theatre

All are welcome to support our Grade 5 Students and interact with them as they share their research and action on topics they are passionate about.
