*Mixed vegetables, fruit, a starch, milk, and juices are served with every meal.*

## MR. E'S MESSAGE

It is hard to believe we have already completed our first quarter of the school year. We now look forward to welcoming you to campus where we'll host our Parent-Teacher Conferences! It is an excellent opportunity to discuss your child's progress and discuss learning goals!

### Student ID Cards - Bus Pick Up

Your child has brought two Student ID cards home with them today, please make certain you have received these. Starting on Monday, October 27th all parents, guardians, aunts, friends and neighbors that wish to retrieve a child from a SCIS-ECE school bus must present a copy of the Student ID card to the bus monitor. Starting next Monday, October 20th our bus monitors will look for these cards and provide reminders to those that do not have the ID card, but beginning on the 27th, should the person who is picking up

the child not have the ID, the monitor will call the ECE transportation coordinator who will confirm the pick up with parents directly. We thank you for your adhering to this new policy.

### ECE Market Days - PAFA

What is Market Day? Once a month PAFA hosts restaurants from around the SCIS community who come and sell their international foods at the HQ campus. Next week during parent-teacher conferences, a few of our favorite vendors will be on site at the ECE campus for parents and staff to enjoy. Vendors will be setting up on our Bldg A playground around noon and will stay until about 3:00pm. Stop by, grab a snack, meet other parents, and buy your IFF tickets if you haven't already done so. Hope to see you all then!

All the best,  
Daniel "Mr. E" Eschtruth
