

Foundations Of Learning

Pre-K and Kindergarten

Join us as we take a closer look at developmentally appropriate expectations for our four and five year olds.

You will learn about:

- research based developmental milestones
- how teachers support your child's development
- joyful ways to encourage your child's development of math, literacy and social skills at home.

ECE Conference
Room 9:00 am

Pre-Kindergarten
Wednesday, September 4

Kindergarten
Wednesday, September 18

Space is limited to 30 participants per session.
